

The

PIRATE '55

The PIRATE

Foreword

We the class of '55 are happy to present to you this annual, "THE PIRATE." As the years go by, and the gulf between ourselves and Berea High widens, this annual will come to mean more and more to you. The years we have spent together have been full years----- years full of activities, joys, and disappointments, excitement and discouragement. But with all these has run a continuous stream of happiness that has made a rich imprint upon our lives. Now, we, not without some feeling of reluctance, prepare to go. We must move forward to make room for others who will take our places at dear old B.H.S.

To the student body, faculty, and business people, we wish to express our gratitude for your cooperation and support.
